Community Questionnaire - Mail Cover Page

This questionnaire asks your opinion about how your spinal cord injury may be affecting you on a day-to-day basis.

This questionnaire has been written for a large group of people — all who have a spinal cord injury. Certain questions may not apply to your personal situation, but as every injury affects a person differently, all questions are included in this questionnaire. If you come across a question that you think does not apply to you, please answer it the best that you can.

If you have any questions or concerns about the questionnaire, please contact:
